A very warm welcome to the players, officials and supporters of Risborough Rangers FC. Welcome to Arbour Park, I hope you enjoy our facilities.

The club has reached a milestone this week with the youth section reaching 200 registered players. If we carry on with the same level of expansion it won't be long before we will be the area's second largest youth setup, behind Ascot United. A big thanks and congratulations go out to Lars and all the management committee for their hard work.

To cope with the expansion and to allow for the anticipated growth we have agreed to rent some pitches from Egham Cricket Club and we have also formed a link with TESIS in Thorpe; this will give us an additional 6 pitches, making a total of 13 including those at the Timbers.

Please make sure you read all about and get behind the charity event being put together by the club for the 30th November's game against Berks County, there is an article further on in the programme.

WE ARE THE WATERS

Virginia Water Football Club was formed during the 1919-1920 season, and celebrated its centenary in 2020. During the reign of King Edward VIII, Waters gained financial support (Royal Patronage) from the Crown, in the sum of £2 per annum. This continued throughout the reign of King George VI, who actually 'gifted' VWFC their current ground. Until 1964 Waters were part of the Woking & District League, at which time they joined the Surrey Intermediate League, moving on to the Spartan League soon after.

In 1969 the clubhouse at the Timbers was erected and opened by Sir Stanley Rouse, CBE, who was then President of FIFA. The Timbers was given this name after the late Harry Timbers, one of the founder members of our Club. In 1970 Waters gained promotion from the Spartan League to the Combined Counties League, and steady progress saw them gain entry into the FA Vase. The 1980's were a disappointing period in our history, that saw successive relegations to the Surrey South Eastern Combination Intermediate League. The 1990/91 season proved a turning point, with Waters winning the Surrey Intermediate Cup, beating Colney Hall 3-0 in the final. This was followed with promotion to the Surrey Premier League and Combined Counties League, but we were only allowed to stay there for one season due to league ground grading rulings.

Despite that relegation, Waters won three Surrey County Premier Cups in 1995, 1996 and 1997, the latter being part of a historic League and League Cup Treble! With league name changes the norm, in 2000 the Surrey Premier League became the Surrey Senior League, where Waters stayed until 2002, before joining the Surrey Intermediate League (Western), for three seasons before another relegation and immediate promotion. In 2010 Waters won promotion to the Surrey Elite League. Despite winning the County and League Cups, further promotion proved elusive.

Ceri Jones was appointed manager in 2015-16, finishing fourth in his first season in charge. The following season he appointed Richard Banks as Head Coach, and Waters duly won back-to-back promotions to the Hellenic League Division One, then Premier (competing at Step 5 for the first time in the club's history) - including a cup double in 2016-17. After a period of consolidation in the Hellenic Premier Division, there was to be another FA National League System adjustment, that saw Waters moved across to the Combined Counties Premier League (North).

At the end of the 2021-22 season, after 7 successful years as manager, Ceri became Director of Football, and appointed Adam Bessent as his successor along with Jake Bessent as Assistant Manager. The 2022/23 season saw us reach the Senior County Cup final, finishing second to Met Police in the final, and also our highest ever league position - a respectable 7th place. The Bessent's sadly resigned their positions early in to the 2023/24 season. An internal promotion saw Adam Sams take over the reins as the new First Team manager, ably assisted by Ben Warren as first team coach, and successfully lead the club to another 7th place League finish and reach the Combined Counties Premier League Cup Final where we were narrowly beaten by Burnham FC 2-1 to be Runner's Up. The club still aims for continued success, both on and off the pitch, in the future and the move, under a new Ground Share arrangement, to the great facilities at Slough Town is seen as a step forward for the 2024/25 Season.

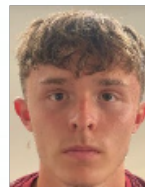

Waters also have a youth section at the club (VWFC Youth), which the club proudly aspires to, and uses as a direct pathway to adult football. The Youth Section continues to flourish; it now stands at 19 teams and growing rapidly, especially our girls program, in partnership with the FA Wildcats scheme, which will see 4 Girls Teams (U9, U10, U11 and U13) play under the Waters Banner in the 2024/25 season.

TODAY'S OPPONENTS

Risborough Rangers Football Club started in 1970 as a team of 12-year olds who wanted to play competitive football. The main motivators were Life Presidents Tony Eley and Derek Wallace. Derek was instrumental in forming the Wycombe Star League that now provides football for hundreds of youngsters in the Wycombe area, and Risborough Rangers currently have teams at all ages ranging from the Under 10 to Under 16 playing in this league.

In the 1975/76 season, the previous years Under 16's went into the Wycombe & District League as a men's team, and in their second season in adult football won the 3rd Division. Unfortunately, the team then folded, after which the club provided only boy's football until the Under 16's of 1979/80, having won the United-Carr Cup, went into the Reading Youth League for two seasons, and then the Wycombe

& District League. They won promotion in successive seasons and were followed two years later by the following years Under 16's as a reserve team, who emulated the feats of their predecessor, ending up in the Ercol Senior League and the FA Walters Premier League consecutively. At around this time, Rangers moved to 'Windsors', their current ground. 'Windsors' had been the home of the now defunct Princes Risborough Town FC who were one of the founder members of the Hellenic league in 1953. Within several years, club members had managed to improve the ground substantially by building the clubhouse.

In 1989 Risborough accepted an invitation to join the South Midlands League Division 1. In the first two seasons the club found the level difficult and finished second from the bottom and therefore had to apply for re-election. The 1991/92 season saw a great improvement when Risborough finished in 8th position whilst also celebrating its 21st anniversary. In the 1994/95 season, they were promoted to the newly formed Senior Division, after finishing 4th under the management of Frank Carter and they consolidated with a mid-table position in the next season. In the mid-90s, Bob Rayner became manager for the first time and saw the establishment of a sound youth policy with an Under 18's team in the Wycombe & South Bucks Youth League. After a reasonably successful spell, in which the club reached the semi-final of the Senior Division Cup and the quarter final of the Berks & Bucks Senior Trophy, Bob was offered the job of Brackley Town manager in the Southern league and took the opportunity to test himself at a higher level.

After Bob left at the start of the 1998/99 season, former assistant Jon Franklin took over as manager and maintained a consistent level of football at the club. After Jon's departure, the club began to struggle and were eventually relegated to Division Two.

In 2005, chairman Richard Woodward persuaded Bob Rayner to return to the club following his departure from Thame United. Finishing fourth in his first two seasons back and just missing out on the runners up spot in the final game in the second season, Bob has had to rebuild his side from the Rangers junior ranks. He has patiently waited for his young side to blossom and the patience began to pay off in the 2010/11 season when Rangers achieved a fifth-place finish and reached the semi-final of the Challenge Trophy, losing 2-0 to the eventual winner and Premier Division champions, Chalfont St Peter. On route to the semi-final, Rangers beat four teams from divisions above them including division one champions Berkhamsted Town. The 2011/12 season was Risborough's best season of late with a late charge securing runners up spot in the league, and a first cup final reached in over 20 years, losing the Anagram Records Trophy final 1-0 to Baldock Town of the Hertfordshire County Senior League. The next season brought two good cup runs.

Risborough's progress in the Anagram Record's Trophy was halted in the Semi Final by Baldock Town. The rematch of the previous season's final ended up with the same score line as Baldock went on to defend the trophy. A second cup final in two years was achieved via the Division 2 cup, although the prospect of lifting the cup once again alluded Rangers, this time losing 2 nil to Aston Clinton. A league finish of fourth was achieved, and with the hard work off the pitch, including securing the funding for floodlights which were erected in time for the 2012/13 season.

In 2016 Risborough finally won some silverware, after several near misses over the last few years. The Berks & Bucks Intermediate Cup was claimed after a 2-1 AET win over United Counties League Olney Town. 2016/17 season saw Bob Rayner retire and his son Jamie take charge saw the club finish in a creditable 6th position and reach the semi-finals of the Berks & Bucks Intermediate Cup before losing on penalties to eventual winners Woodley United. The 2017/8 season started with some promise but sadly this didn't last with the club finishing in 8th place, the highlight of the campaign, however, was a run in the Challenge Trophy which included victories over Premier Division sides Leighton Town, Oxhey Jets, Edgware Town and London Colney, but alas were beaten 3-1 in the Final by fellow Division One side Broadfields United at Colney Heath.

In October 2018 then current manager Jamie Rayner decided to step down from his position because of work commitments. The Club advertised the position and after a healthy response, the Board appointed the former Hemel Hempstead Town, Arlesey Town, Leighton Town Aylesbury United, Aylesbury FC boss Mark Eaton as their new man. When Eaton took over the club were 19th in Division One and a massive negative goal difference but come the end of the season Rangers finished in 7th spot with a positive goal difference as the season was turn on it's head. The season ended though with some silverware when London Lions were defeated 2-0 in the final of the Spartan South Midlands League Division One Cup, which was played at Leverstock Green.

Because of the ongoing re-construction of the non-league system the club made a lateral movement to the Hellenic League Division One East from the Spartan for the start of the 2019/20 season. The 2019/20 season saw Rangers unbeaten and top the league by 12 points with a game in hand over 2nd place Abingdon United after playing 23 games out of the full 32. The COVID pandemic put an end to any hopes of promotion to step 5 for the first time in the club's history however as the season was officially voided. However, in 2021 the club were promoted to the Premier Division of the Spartan South Midlands League based on their results in the abandoned 2019-20 and 2020-21 seasons.

Season 2021/22 saw the club promoted to the Premier Division of the Spartan South Midlands Football League by the FA based on their results in the abandoned 2019-20 and 2020-21 seasons. Overall it was a very strong debut season at Step 5 with the Club never being outside the top two from the start of October. In a exciting two horse race with New Salamis which culminated in a last day shootout at the B.E.P. Stadium between the teams. New Salamis won the game 2-0 to become Champions and Rangers had to settle for second place, 10 points clear of 3rd placed Hadley. Further disappointment was to follow with the Ground Grading which the Club failed with Hadley taking Rangers place at Step 4.

Season 2022/23 was a season of two halves, early exits from all cup competitions and mediocre league form meant the club was languishing in mid-table but following a lengthy period of inactivity due to the inclement weather, Rangers were able to reset and go again. This meant that the team were to go on a strong second half of the season which resulted in 3rd position, three points behind 2nd place Stotfold.

Season 2023/24 will see the club laterally move to the Cherry Red Records Combined Counties League Premier Division North.

IN PROFILE

FROM THE BOSS

Good afternoon and a warm welcome to today's match officials and everyone associated with Risborough Rangers FC.

It's been a tough few weeks since we were last at home, including our loss against

Reading City. As a management team we have sat down and had open and honest conversations, and are fully committed to turning things around. It's part of managing emotions and the highs and lows of football. Sometimes we get sky high and sometimes the lows are too low, and we have to get the right balance. On the positive side, you have also seen this league is relentless and everyone is capable of beating everyone.

Away to Amersham was a tough night and going down to 10 men really hurt us but they also were beaten by Milton United during the week, who we beat at the weekend. Football is a funny old game!

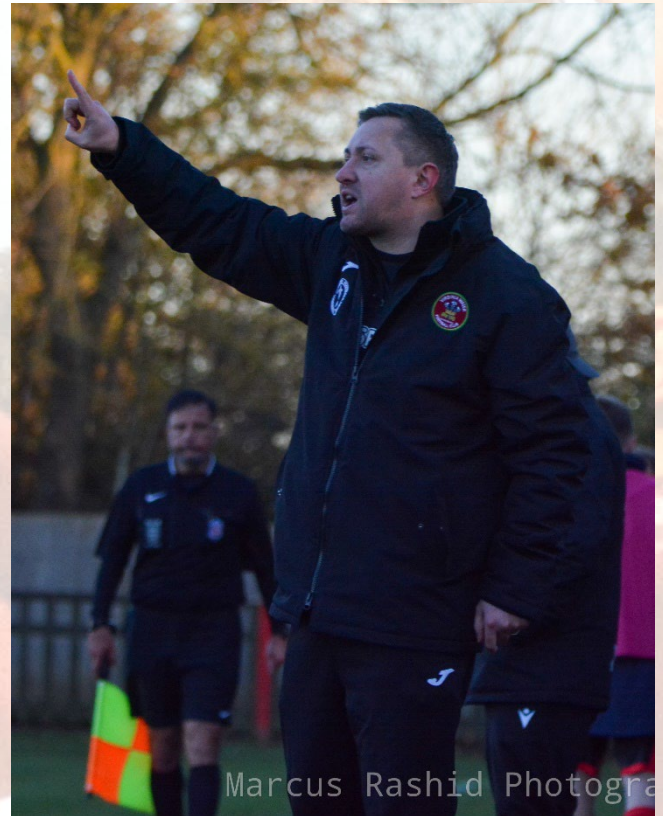

Last Saturday away at Milton was more like what are about; We managed the injury early on very well. Mark Bitmead took his penalty well and it was a very spirited performance, which was what we asked for. A lot of character was shown and, don't get me wrong, it wasn't pretty at times, but it didn't need to be. A clean sheet and a 1-0 win away from home gives us something to build on.

Today's game will be another tough one, as no game is ever easy against Risborough. They are in the process of a rebuild with a new management team and I'm sure they will be one team that will make a late surge for a playoff place.

Let's build on last week and get behind the boys to try and improve our home record.

UP THE WATERS!!

Adam

6 DEGREES OF SEPARATION

Inspired by our friends over at Horsham FC, who have this feature in their programme, we thought we'd give it a go! Six degrees of separation is the idea that all people are six or fewer social connections away from each other. As a result, a chain of "friend of a friend" statements can be made to connect any two people in a maximum of six steps. The rule is that the two connecting people have to know each other. It's not enough for them to just link – for example, two people supporting the same football team.

So... Defender **Chris Ellis** is also today's subject for this feature! Chris has arguably the longest throw-in we've ever seen, so we will try to link him to everyone's favourite and best-known long throw merchant, Rory Delap!

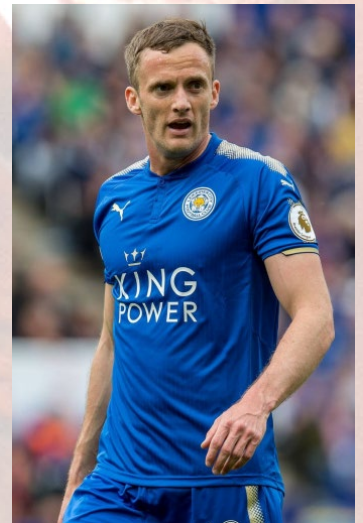

1

Chris says in his profile, that the best player he has played with is Andy King

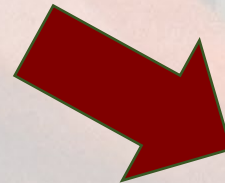

2

Andy King, Premier League winner with Leicester, counts Robert Huth as one of his teammates, having played 55 times together

3

Triple Premier League winner, Robert Huth couldn't believe his luck when he got his third title with Leicester. But before then he spent four seasons at Stoke City with...

4

Long throw specialist, not forgetting he wasn't too bad a footballer, Rory Delap!

We are thinking that 4 steps must be a new personal record! So here's Chris again in all his glory

YOUTH UPDATE

Halloween Spooktacular!

On Saturday 26th October, the Wildcats celebrated Halloween early by dressing up in Halloween costumes and having the best time playing games such as "pick up the pumpkin", "Zombie Tag" and "Pirates of the Caribbean"!

Able assisted by the ghoulish volunteers from Royal Holloway University of London, they all had a great time, and were rewarded for their efforts by taking home a trick or treat bag of pure sugar gifts, plus to top up the sugar rush, a Halloween Muffin!

Wildcats runs every Saturday morning, between 9.30am and 10.30am at the Timbers, and all girls are welcome irrespective of football experience.
